Dear \_\_\_\_\_,

Nest Church is a growing church in South Florida. In addition to offering Sunday services, we are proud of our community outreach programs which include, but are not limited to: partnering with non-profit organizations; Hubs, which is a small group outreach; Vacation Bible School which is geared toward elementary-aged children; and a missions program that sends individuals out to help equip and improve the lives of people in the Caribbean and Latin America.

Our current location has also been available to other local organizations to run youth programs and outreach services. Through the years, we've strived to be a community of faith while being a strong partner in times of need.

Nest Church is searching for a permanent location. Our goal is to raise a minimum of \$500,000 to help accomplish this. Prior to starting this campaign, we've been able to be great stewards and save \$200,000 toward our goal. Our goal is to raise an additional minimum of \$300,000 over the next 18 months, so Nest Church can purchase its own property.

In addition to requesting monetary donations, we've planned several fundraiser events to help us reach our goal. You can find out more about these planned activities on our app, social media accounts, and website ([TheHouseThatGodBuilds.com](http://TheHouseThatGodBuilds.com)) in the coming months. We do understand that monetary donations are not always possible, so please consider donating goods or services for future events. As a 501(c)3 organization, we will provide a tax receipt for all donations.

Your generous donation will help us move closer toward purchasing a location that Nest Church can call home. We need the support of our members, local businesses, and community to help make our goal a reality.

Your support of Nest Church is deeply appreciated. If you have questions, concerns, or would like additional information about our campaign, The House That God Builds, please contact us via email at [Finance@NestChurch.com](mailto:Finance@NestChurch.com).

You are loved,  
Nest Church
